LB Protect-Ed

A management liability policy which is specifically adapted for the education sector

info@lblaw.co.uk • www.lblaw.co.uk

It's a fact of commercial life that claims and investigations are becoming increasingly common, and even winning a legal case can carry a very high price - in terms of costs. This applies as much in the education sector as elsewhere.

In association with **AXA**, we offer **LB Protect-Ed**: a management liability policy which is specifically adapted for the education sector. It offers comprehensive cover at a reasonable price - with no excess where our advice is followed in relation to the matter giving rise to a claim.

Importantly, there is no 'prospect of success' clause in the policy - so even if our advice is not obtained or followed, the policy can still pay out.

What is covered?

- Costs, awards and settlements relating to employment tribunal claims
- Professional indemnity
- Costs, awards and settlements for any claim or regulatory action brought against any past, present or future governors, officers or employees
- Representation for any governor, officer or employee at an official investigation
- Claims against trustees, governors, officers or employees caused by the operation or administration of any employee benefit scheme or trust fund
- Crime - loss due to employee dishonesty, third party funds fraud, robbery, safe burglary, forgery, securities fraud, corporate card fraud, cheque forgery, counterfeit currency and criminal damage
- Claims caused by any cyber liability
- Costs incurred in contacting third parties where legally required to following a breach of data protection law
- Crisis public relations costs following sustained negative social media
- Costs in connection with pursuing or defending contract disputes or debt claims
- Costs in defending infringement of copyright claims
- Loss of paper or electronic documents

Cover is subject to indemnity limits and otherwise the full terms, conditions and exclusions of the policy wording, a copy of which is available on request.
